

What?

[United Music 75](#) is a musical challenge to mark the 75th anniversary of the United Nations and its International Court of Justice, seated in The Hague's Peace Palace.

Musicians can play, sing or compose an adaptation of the *Hymne des Nations** while challenging others to do so as well. The aim of this one-year [challenge](#) is to show solidarity and highlight the convening power of music for a common cause: **Peace through justice.**

Why join?

We want as many musicians, representing as many nations as possible to participate in this challenge, and hope this will lead to a musical chain of submissions representing all nations by April 2021.

By **October 24th 2020** we 'd love to have 75 musical variations to surprise the UN on its 75th birthday. **April 2021**, when the International Court of Justice will turn 75, the musical chain will be shared in the Peace Palace. This will receive visibility at the event and online.

Airing the musical chain will be followed by the world premiere of a harp concert performed by Goodwill Ambassador for the UNANL and harpist [Lavinia Meijer](#) accompanied by an orchestra. The concert is based on the *Hymne des Nations* and composed especially for this occasion by Canadian-Dutch composer Jaap Nico Hamburger.
